

David C Morgan - Curriculum Vitae

Profile:

David is a management consultant with 15 years experience of working with “blue chip” organisations in the private and public sectors. He has substantial experience of managing complex programmes/projects, business transformation and re-engineering, outsourcing and shared services strategy. David’s extensive experience to date has demonstrated his ability to apply himself to a range of complex roles and issues - in a number of sectors and skill areas. David thrives on variety and always seeks out challenging roles. David has extensive experience of living and working abroad - including significant time in the Far East, Eastern Europe and the United States. He has a BSc and PhD in Civil Engineering.

Significant client achievements:

BNFL plc	Defined the nuclear engineering products and services for a new BNFL commercial business.
European Utilities Portal	Developed the business case, strategy and <i>modus operandii</i> for the largest European strategic products and services e-market in the Utilities sector.
Bechtel	Identified 30% savings in the design, procurement and construction of multi-billion dollar process plants.
Deloitte Haskins + Sells and Coopers & Lybrand	Project managed fitting out of 350,000 sq ft of commercial property and the subsequent migration of 5,500 professional staff. Programme delivered on-time, to budget and with high levels of client satisfaction.
National Grid Company (Energis)	Established the programme and procedures for the company start-up and capital expenditure. Responsible for negotiation of property rights and supply-side agreements. Energis subsequently developed into a multi-million pound turnover business in the Telecoms sector.
Coopers & Lybrand	Developed global outsourcing strategy and business case for C&L. Managed key client relationships in the UK including the BBC, Forte, Shell, BAA plc and United Biscuits.
Midland Bank plc	Migrated “live” document processing operations to a single new purpose-built facility. Programme completed on-time, to budget and with no interruption to clearing operations.
Coopers & Lybrand	Managed selection, negotiation and fitting-out of new premises in Moscow and St Petersburg. Managed the migration of 100+ professional staff.
Various clients	Developed expert witness evidence to support negotiation on construction disputes. Achieved multi-million pound settlements for all clients.
PowerGen plc	Developed a strategy and options appraisal for outsourcing, SSCs and financial systems.
BP Amoco Chemicals plc	Identified a series of “quick-wins” for improving the Finance function.
